Drop off Checklist:

Please follow these steps to organize your items prior to your Drop Off appointment to ensure a quick & efficient Drop Off!!

- Group items by type, gender and size.
- Hangers must face left when hanging - with tags on the right. Hangers will look like a question mark when you look straight at it.
- Keep sizes together by placing a rubber band around the tops of the hangers.
- Check all items for tags with barcodes, correct description and placement on garment.
- Use bags or boxes to carry smaller items.
- Bring a large box with your name & consignor number written on it. We will use this box at the end of the sale to return your unsold items to you.
- Bring your CASH ONLY \$10 consignor fee.

Drop Off will take place at the same location as the sale. Consignors **MUST** make a drop off appointment online by clicking on the link below.

If you miss your Drop Off appointment, you can come any time during Drop Off hours (see Event Schedule page for Drop Off hours), but you will most likely have to wait while we check in others during their scheduled appointments. Drop Off appointments will be every 15 minutes. Please be punctual so that others who are on time don't have to wait. Thanks for your consideration! Your consideration & punctuality ensures a much better shopping experience for all of us!

During drop off we will note if you are selling a large item (such as furniture, etc.) and we can call you if it is still there after the sale. Just leave us your phone number and let us know you prefer not to donate those particular items. If the item is remaining after the sale, we'll call you so that you can come & pick it up.
